

## WOBURN LOW PROFILING BED

**Product Code:**

HLB797.03

**Description:**

The dependable 4 section profiling bed now features high quality control system, a reduced minimum platform height and a higher load capacity. By lowering the platform to only 220mm from floor level, the risk of injury for those with a tendency to roll out of bed is significantly reduced. Comfort setting of height, back rest and knee break angles is easy when using the lockable handset.
