

SUVA SHOWER AND COMMUNE CHAIR

The Suva is a stationary, modular shower and commode chair. It features a detachable backrest and armrests to facilitate user preference and side transfers. It can also be used as a commode and comes complete with a bucket and lid. It is easy to adjust the height of the chair using the pin index in the chair legs.

Features:

- » A modular design enables the backrest and armrests to be removed to suit user preference
- » Can be used in multiple configurations; stool, stool with armrests, chair without armrests, full chair (with backrest and armrests) and also as a commode
- » Free-standing shower and commode chair with backrest and armrests for increased support
- » Manufactured from plastic and aluminium making it easy to clean and lightweight
- » Features cushions for the seat and backrest to maximise user comfort when showering
- » Easy pin index height adjustment on the chair legs
- » Comes complete with a bucket and a lid with handle for use as a commode
- » Non slip, non-marking feet provide stability
- » Is supplied flat packed and is very easy to assemble and disassemble with no tools required
